A Very Special Thanks Thanks to all the lovely people who listened, tweeted, emailed, or retweeted my YouTube review. That list is endless. I am truly sorry for the confusion and inconvenience.. The other major reason Japanese education doesn't prepare you for being a Japanese speaker is that the language is so much more difficult. I can't stress the subject enough: You don't have the luxury to learn one aspect of Japanese a day without developing other skills, such as pronunciation.

Before I start, I strongly advise you don't listen to the above words; they don't mean anything, they're just an idiom that I like (it's funny), so go ahead and ignore it. After all, reading Japanese is one of the most important skills one can learn in Japan. To prove this, let's look at the following: The reason I mentioned how the class is just a drab mess is because most Japanese people don't have much choice about attending a Japanese educational institution. If their goal was to become a translator, for instance, having a strong grasp of the Japanese language is crucial to that goal. [Call Of Duty Modern Warfare 2 Highly Compressed Only 37 Mb](#)
