Have fun letting everyone know how much you love a photo by leaving a heart-felt comment.. Snapshots is the only app that captures every wedding moment in one extraordinary gallery.. • 1 6 Jul 18, 2013 Art Barsky This is a great idea with a pretty slick UI But, you have to pay for each event you create?! Come on, now! If this app cost \$5, I would probably buy it and would certainly talk my friends into buying it, but to pay for each event? Forget about it.
